

Creating the Perfect Storm: Lessons Learned from Global HIV/AIDS

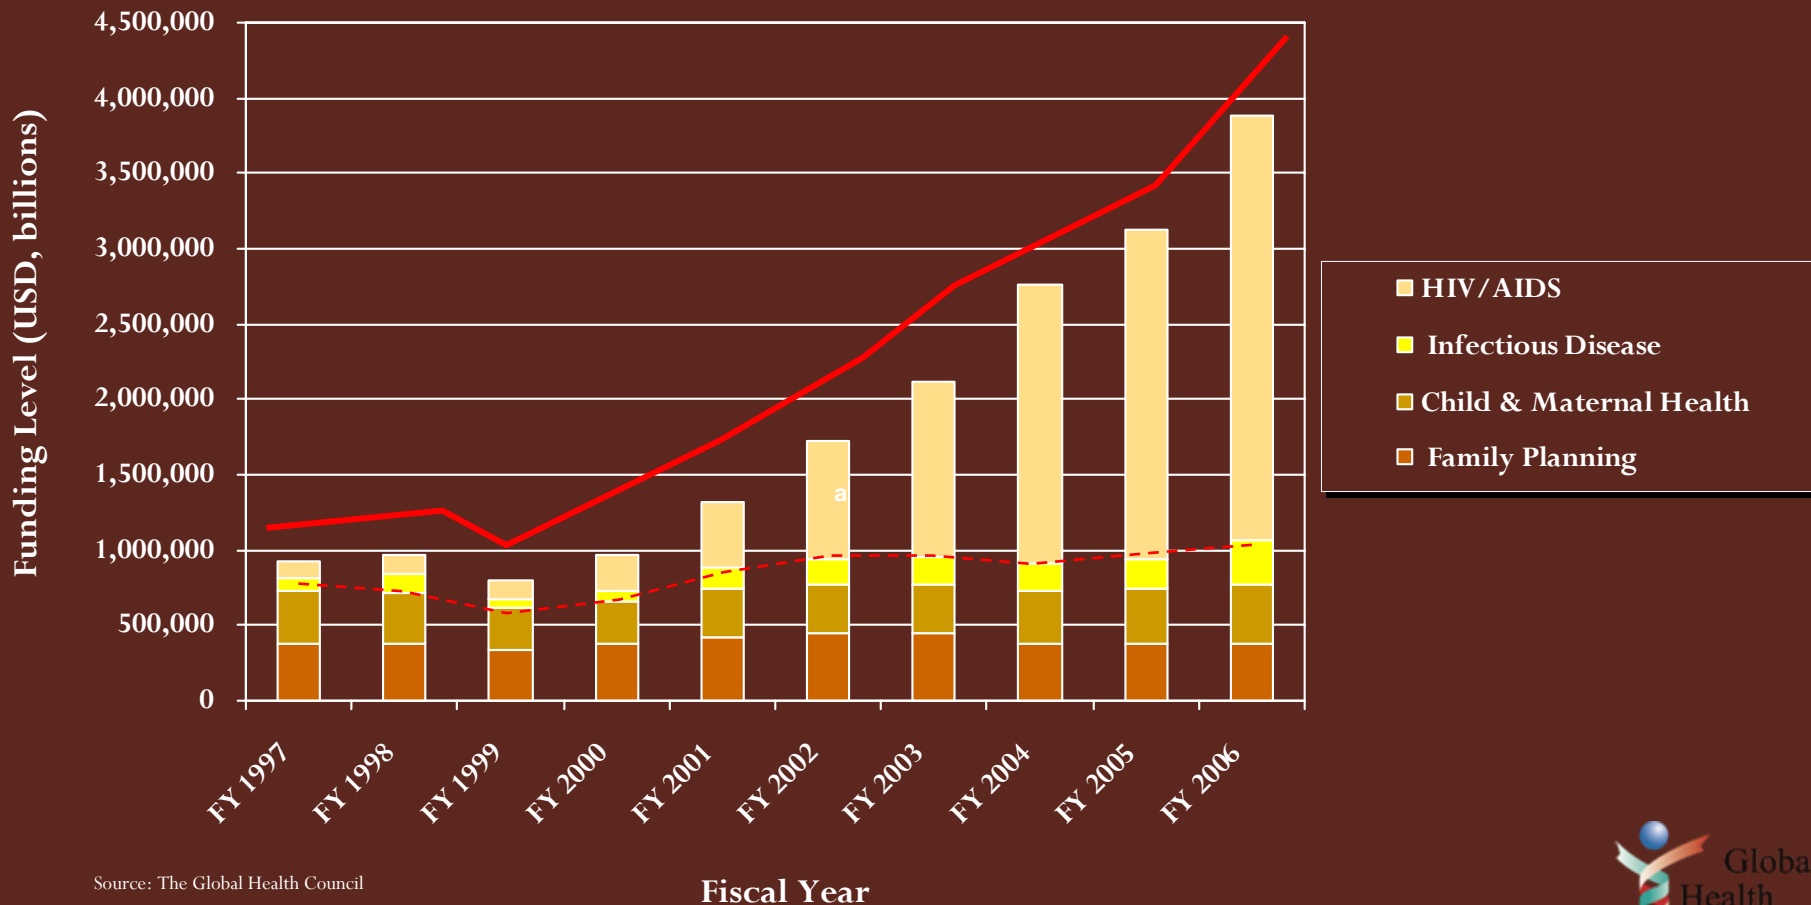

Nicole K. Bates, Global Health Council
GWU Rapid Impact Conference
26-27 October 2006

Aspects of Global Health

- HIV/AIDS
- Other Infectious Diseases
 - Malaria
 - Tuberculosis
 - Neglected Tropical Diseases
- Child Health
- Women's Reproductive Health

- Health Systems
- R&D

USG Spending on Global Health Programs

Source: The Global Health Council

Lessons Learned

- ❑ 'Perfect Storm' effect
- ❑ Funding: goal = sustainability; effort = annual
- ❑ Grow the pie
- ❑ Partnerships
- ❑ One community, one voice
- ❑ Never too late

Thank You

Nicole K. Bates
Director, Government Relations
Global Health Council
